KIDS ON THE INTERNET

KIDS ON THE COMPUTER SHOULD NOT GO ON THE INTERNET BECAUSE THE INTERNET GIVES A BAD EXAMPLE WITH ALL THE VIOLENT GAMES AND THE BAD THINGS PEOPLE SAY ON THE INTERNET. THEN AGAIN IT IS GOOD FOR CATCHING UP WITH YOUR OLD FRIENDS FROM OTHER SCHOOLS. I THINK KIDS SHOULD NOT GO ON THE INTERNET BECAUSE PARENTS SAY THAT THERE KIDS HAVE BEEN BULLIED OR THEY ARE SAYING THAT THEY WANT TO MOVE SCHOOLS BECAUSE THEY HAVE BEEN BULLIED. ALSO SOME KIDS GET IN TROUBLE FOR TAKING WHAT'S ONLINE.

KIDS SHOULD TELL THE TEACHER OR ANY RESPONSIBLE ADULT IN CHARGE. PARENTS SHOULD NOT LET KIDS WATCH ANY OVER-RATED MOVIES OR GAMES. BULLIES TARGET SMALL KIDS SO THEY CANT GET HURT BACK. BECAUSE BULLIES THINK THEY ARE TOUGH, THEY GET THEIR ATTITUDE FROM MOVIES AND GAMES.

BY KURTIS, MARK AND BRAYDEN
